THE ISLAND

From your Con Chair

Zeno

Yar!!!

Avast my pirate friends, and welcome. I am Zeno, your Con-Chair, and I am happy to welcome you to this year's Painted Desert Fur Con, "The Island!". This convention is very special to me, and I am overjoyed to help put something together like this for our community. The convention team has worked hard over the last year to build this con and make it stand out. We have so much planned for this weekend, and I am excited to share it with you all.

Please welcome back our con charity Phoenix Herpetological Sanctuary. This year's goal aims to help the over 400 African Sulcata Tortoises housed at the Sanctuary by building and rebuilding shelters built on the property. From the charity's website regarding the tortoises: "These animals are the most dropped off species at the sanctuary. Living over 100 years and getting over 150 pounds makes them a hard pet for most people to have. These animals are surrendered, abandoned and sometimes escape from people's homes." Thank you for helping give shelter to our shelled friends.

Joining us as Guests-of-Honor I would like to welcome Nalu Catfish. Nalu is a local artist who helped design the con shirt and other art assets we will use. Next, we have The Fuzz, a local team that makes fursuits here in Arizona. They have been so lovely to donate a partial fursuit to the Charity auction. Make sure you stop by the charity table to check it out. Speaking of the charity auction, that brings me to our third and final Guest of Honor, Alkali Bismuth. Alkali the great comedy ferret has left his fortress in the great north to travel here and make us laugh. Alkali will be helping Co-Host the charity auction with our own Amazon. Alkali will also be hosting the New Year's Eve celebration Saturday night.

If you have a moment during your convention adventure, please take a moment and thank the excellent staff that have given us their time to help provide this weekend's entertainment. Each person you meet has dedicated hours to make this con fun and exciting for all.

I want to take the last space of my letter to thank the attendees. Without them here there would be no PDFC. Without the attendees, we wouldn't be able to host such a fantastic event. Thank you for spending your weekend with us. And thank you so so much for giving us a chance to go on this island adventure.

So without further ado, raise the anchor and hoist the mainsail, let us sail forth me hearties!! Into unknown waters for an adventure, you'll never forget!!

A note about staying safe on your voyage...

Remember:

Costumes and Fursuits are NOT consent!

Always treat your fellow attendees with respect. ALWAYS ask before touching anyone!

PDFC has ZERO TOLERANCE for these matters.

All reports of harassment/assault are taken very seriously. If you witness or are the victim of harassment or assault, report it to Convention Operations immediately.

If you are in immediate danger, it can always be reported to hotel security as well.

Stay safe out there on the high seas!

Convention Operations is located to the left as you're walking out of the elevators.

Our doors are open first thing in the morning, and are the last doors to close at night, so if you need anything, stop on by.

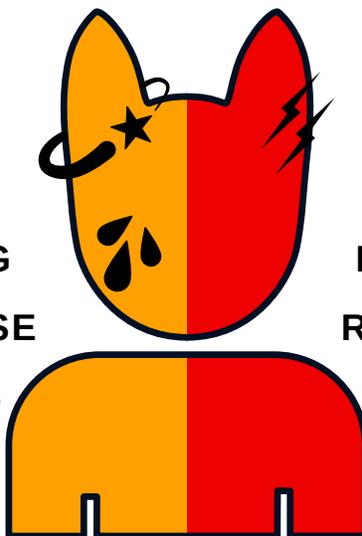

Even after hours, the hotel front desk can provide assistance all day and all night.

Some Tips & Tricks

For your voyage on the high seas!

Drink plenty of water

Running around searching for buried treasure can really take it out of you! Be sure to drink lots of water even if you're not out fursuiting. You'll be thankful you did!

Remember the 6-2-1 Rule!

Everyday get at LEAST:
6 Hours of Sleep
2 Complete meals
1 Shower

This will ensure you (and those around you!) can be in top-top shape to make the most out of the weekend. We may be pirates, but we're not savages!

Plan Accordingly

There can be so many things to do on the high seas that it's almost overwhelming! Meeting up with your friends, going to some of the convention panels, shopping in the dealer's den, and running around in fursuit, there's plenty to see and do! Try to sit down with the schedule and plan out one or two specific things you really want to do each day and build your plans around them. It can help to keep your plans anchored, and you on the right course!

Be aware of your treasure!

There are plenty of things to buy at a furry convention, and they're not always cheap! Be mindful of your budget for the weekend and **STICK TO IT!** Don't forget to consider the costs of food and parking, have to make sure you've got extra treasure to bury later!

What to Pack

Comfortable Clothing: Thankfully the forecast will be mildly warm compared to the rest of the country, but be sure to pack to enjoy your stay!

Comfortable Shoes: You're going to be doing a LOT of walking, so make sure to bring some good socks and shoes.

Towel: There's never enough towels in the hotel bathrooms, so if you have the space, pack one just to be safe!

Swimsuit: After a long day walking around the convention, you can always relax in the hotel pool, don't miss out!

Pillow: If you like your pillow *just right*, you can always bring along your own.

Earplugs: Conventions can be loud, and some of your shipmates snore. Throw a pair in your toiletries bag to ensure you can get a good nights rest!

Guests of Honor

Alkali Bismth

It was a bright cold day in April, & the clocks were striking thirteen. Laughably, a ferret had been made a guest at PDFC; they stocked up on libations for the thirsty mustelid. Indeed you heard right, the top hat-wearing giant of a ferret has been invited to the very con you are attending! Knowing the convention had asked Alkali to write something about himself, the ferret got to work. Easygoing as he was, Alkali jumped at the chance to put his pen to paper. The sounds of frantic scribbling could be heard as he wrote facts on his very being. "Excellent cook, improve comic, kind of gay, HUGE fan of D&D and LARPing. "Quaint, kind, tall and loud" finished his description that all attendees would see. Unabashed by his description the ferret sat back in his chair, elated to be finished with the arduous task of describing himself. I know what you are asking, "why would Alkali write the story of him writing his entry rather than writing the entry himself"? Lament not my friends, for a true description of Alkali, lies in one simple step. All one must do is read the first letter of every sentence.

Phoenix Herpetological Sanctuary

Promote conservation and preservation of native and non-native reptiles through education, rehabilitation, rescue, and relocation

Who they are, and what they do:

The Phoenix Herpetological Society is a 501(c)(3) non-profit organization and is a statewide facility that includes a surrender facility, education program, summer camps, and rescue and rehabilitation. PHS was founded in 2001 by three long-time, passionate reptile enthusiasts with a vision to make a difference for reptiles in the state of Arizona. There were plenty of organizations to rescue many species of animals from dogs and cats to birds. However, there was no such facility or refuge for unwanted or rescued reptiles.

Our charity goal this year:

Tortoise Houses - \$7,500

Phoenix Herpetological Sanctuary is home to over 400 African Sulcata Tortoises. OMG Why so many?! These animals are the most dropped off species at the sanctuary. Living over 100 years and getting over 150 pounds makes them a hard pet for most people to have. These animals are surrendered, abandoned and sometimes escape from people's homes.

We have quite a few shelters built on the property but many of them are quite old and need to be completely rebuilt. These animals need to be heated throughout the winter and new shelters will allow us to ensure they all have a warm home to go into!

A.K.A. - Our Staff

We want to take a moment to extend the most heart-felt thank you to all our volunteers. Those listed below, and all those at-con volunteers for all of their time and hard work. Whether you're a DJ, singer, guitarist, keyboardist, or even a professional kazoo player, this is a panel for you! Over the last few years, I (Triad Fox) have noticed an increased number of furry musicians walking around meets and conventions with instruments and no real venue to play them. Because of this, I decided to change the old furry drum circle panels that I was doing at fur cons to make one that was more inclusive to everyone with musical interests in the fandom. No matter what your talent or skill level, come join your fellow musicians at the Furry Musicians' Meet and Jam panel!

COVID-19 Policy

Ahoy there! Based on current Arizona guidelines, PDFC will officially be hosted with the following policies in place:

In regards to registration:

We appreciate your patience and understanding as we continue hosting events in 2022 through the new year. We would like to thank everyone who has been sticking with us through this difficult time. We are looking forward to hopefully seeing everyone in the coming months. In the meantime, we encourage everyone to continue to stay safe, wear masks, and visit your local state health department websites on where you can get vaccinated.

The following are all the COVID-19 restrictions and operations we will be putting in effect:

- You must have a completed primary series of any of the accepted vaccines at least two weeks prior to the convention (the last dose must be administered no later than December 15th, 2022).
- Booster shot(s) are highly recommended when applicable, but are not required.
- Masks are highly recommended, but are not required.

We have chosen to follow CDC and other official guidance in effect at this time, which strongly recommends but does not require masking. Dealers are welcome to have mask required policies for service at their individual tables if they wish (convention produced signage will be provided indicating this requirement). Convention staff will not interfere with their decisions and will require attendees to abide by these requests. We will provide masks at Con-Ops and at Dealer's Den services for those who require them. We wish to be perfectly clear— there will be ZERO TOLERANCE for any type of mask harassment at con within convention spaces. Violations will be dealt with under the AEIOU Code of Conduct.

As this is our final 30 day update for our COVID-19 policy, these policies are final for PDFC.

Be sure to bring a copy of your COVID-19 vaccination records with you to the convention to ensure a swift registration process. We will be accepting the following forms of vaccination records:

- CDC Card (Photos of the card will be accepted as long as all information on the card is CLEARLY LEGIBLE).
- Digital Records

We greatly appreciate you all taking the time to provide input into the policies that make your con the best it can be. We hope you have an amazing convention!

– Painted Desert Fur Con 2023

Convention Rules

The following is the full list of The rules and regulations of AEIOU Conventions.

The primary reason our conventions happen is for our attendees to have fun, and in order to provide a safe and enjoyable environment for everyone, the following rules have been put in place. AEIOU welcomes all persons to our conventions, but do reserve the right to deny or revoke the membership of any individual at any time for any reason.

Any action, behavior, or dress that causes significant interference with the convention operations, significant discomfort to other attendees, or affects the conventions relationship with the the venue, attendees, or the public is strictly prohibited and may result in the removal of your person from the property and a ban from the current convention or future events that AEIOU hosts. This includes behavior pre-convention and not just on site.

Badges and Convention Identification

The convention badge provided to you at Registration is property of AEIOU and must be surrendered upon request. You may keep your badge after the end of the convention if requested.

Your badge visible at all times when you are in the convention space. This is your identification when entering events within the space.

By accepting your badge, you are agreeing to abide by all AEIOU policies as well as any other agreements that may be necessary or put in place at the time of the convention.

Anyone who accepts a badge agrees to indemnify and hold harmless AEIOU from any claim for personal injuries or any other damages or equity arising out of any individuals activities at AEIOU conventions, even if the injury or damage is caused by negligence by or the part of AEIOU.

Attendance by Minors

Children under the age of 13 are permitted to attend with a parent or guardian present at all times with the minor. A child under the age of 13 will not be permitted in the convention space at any time without a parent or guardian present, we are not babysitters.

A minor that is 14, 15, 16, or 17 is permitted to attend the convention without a parent or guardian present. Anything that the minor participates in at any AEIOU conventions are the sole responsibility of the minors parent or guardian regardless of if they are present or not.

Minors are not permitted to enter any areas that are labeled as 18+, adults only, 21+, ect. even with a parent or guardian present.

Minors that are 5 and under are permitted a badge without having to pay the badge fee.

Convention "Rating"

AEIOU Conventions are considered "rated" at PG in all public areas. AEIOU becomes "PG-13" acceptable after 8pm.

Exceptions will be made in areas clearly marked as "Mature" rated in the schedule and event areas such as the 18+ areas in the Art Show/Dealers Den.

Any area with a rating above PG-13 will have controlled access and may require display of photo identification along with convention badges to verify age before admittance.

18+ areas will be off limits to Minors regardless of parental consent.

General Rules

No sleeping in any public areas of the hotel or convention spaces.

Attendees are required to follow any reasonable instructions when given by a staff member. If you believe an instruction is not reasonable, address your concerns to the Manager of that department. Disputes are escalated as necessary, but the decision of the Directors/Chair is final.

Convention spaces are open ONLY to registered attendees or visitors being escorted by staff.

Badges are issued only to one person and may not be shared at any time. If a badge is found to be shared, the badge will be taken for the duration of the convention and the person originally issued the badge as well as the person wearing the shared badge will be removed from the convention.

Knowingly providing transportation or housing, or enabling an individual that is banned from AEIOU conventions to attend, will result in a permanent ban.

Smoking, and Vaping are **NOT PERMITTED** in the convention spaces and hotel rooms. There are designated areas for smoking/vaping.

Any act of vandalism or deliberate damage to the hotel or hotel property will result in immediate and permanent removal from AEIOU conventions. This also includes any interference with hotel staff in the performance of their

duties.

Merchandise sales may only be performed in the Dealers Den, Artist Alley, or any area similarly designated by convention staff and only by parties who have prior arrangements with the convention or hotel to conduct business.

Hotel and Rooms/Parties

The person named in the room reservation is responsible for anyone staying in the room, visiting the room, or passing through, and any damages that occur.

Signs may not be posted to hotel walls, hallways, or elevators of the Hotel unless otherwise stated by the individual convention. If allowed, this must be done with paper or 'painters' tape to prevent residue being left on the walls. If flyers are placed with improper hanging materials, the person named in the room reservation will be responsible for damages and payment to the hotel.

Room Parties are allowed, but noise must be kept to a level to not disturb other attendees during night hours. Doors to hotel rooms must be kept shut.

Noise complaints will receive a single warning from the hotel staff.

The member hosting the party is responsible for cleanup.

Excessive trash, soiling, or damage to hotel property in the room may result in removal from the hotel and the convention.

Housekeeping will ONLY clean up bagged trash.

In most cases, hotel staff are required by corporate policy to inspect hotel block rooms once per day, even if the room is not to be serviced.

Housekeepers will often bypass rooms with "do not disturb" signs on, but will return at the end of their rounds, and knock on doors. Attendees must allow housekeeping to access the room if asked.

Room parties hosted on the designated party floor are subject to different rules. Please see operations for any questions regarding party floor parties. This will change per convention.

Lost and Found

Lost and Found will be maintained in the Convention Operations Office. If you lose an item, check here first. A report can be filled out describing the item and contact information must be left. Items will only be held for 30 days past the convention before they are either thrown away or donated.

Dress Code

Collars and leashes may be worn, but persons cannot be lead around by them in public areas.

Public exposure of bare breasts, buttocks, or genitals is not permitted.

Full-body fursuits are an exception (fur covers all!), but may not reveal genitals, buttocks or breasts. Breasts that are built into fursuits are acceptable if they do not have nipples showing.

Fursuits are not permitted in the pool or hot tub.

Hateful, provocative, and clothing articles that imply harassment are NOT allowed. This is included, but not limited to arm/head/tail bands, shirts, pants, fursuits, costumes, flags, props or any other item at staff discretion.

Some items AEIOU does not allow at anytime:

- Police Cosplay
- German or Nazi items
- Any racist cosplay
- Realistic prop weapons

Clothing must keep within the PG-13 rating of the convention, but certain clothing may be worn into 18+ panels or by vendors of 18+ booths provided it is covered up while in public areas.

Convention Rules Cont.

Harassment/Assault

Harassment includes, but is not limited to:

(a) Physical assault, battery, stalking, or unwelcome physical attention.
(b) Conduct, dress, or speech that targets, threatens, intimidates, or is otherwise intended to cause distress to other attendees, or members of protected classes (such as those based on race, age, religion, national origin, disability, gender, or sexual identity).

AEIOU will never tolerate any conduct, dress, or speech that targets, threatens, intimidates or is otherwise intended to cause distress to other attendees or members of protected classes. What someone identifies as is to be respected always. If someone corrects you, every effort to respect and identify the person correctly must be made. If you are found to be purposely misgendering or misidentifying someone to cause distress or upset, you will be immediately banned from all AEIOU conventions.

All reports of harassment/assault are taken **very seriously**. If you witness or are the victim of harassment or assault, report it to Convention Operations or CRT immediately. If you are in immediate danger, it can be reported to hotel security as well.

It is not the job of AEIOU to solve your interpersonal problems. AEIOU is not able to prevent attendance of person(s) unless they pose a specific, credible threat or have a criminal history of conviction of crimes which may pose a threat to the convention or its attendees. If you would like to make a report about an individual, have a legal name and police report ready for convention staff.

If a protection order or restraining order is in place against someone who is on the premises, report to CRT to have law enforcement involved. Notification of such orders can be given to convention staff prior to the convention as a courtesy. Responsibility for settling personal disputes lies solely with the parties involved and any relevant authorities.

Threats, harassment, and stalking will never be tolerated. There are grounds for immediate revocation of your convention badge and expulsion from the property. Report any issues to convention operations if you have asked the party to stop and they continue.

If people tell you "no" or ask you to leave them alone, you must follow their request, no "ifs, ands, or buts".

If you continue to make efforts to contact said person(s), even over digital platforms, you may have your badge revoked.

No matter the costume someone is wearing, this does not equal consent. Never touch anyone without permission, ever.

Payments to AEIOU

AEIOU accepts most major credit cards and debit cards, as well as cash. Chargebacks that are made for the sole purpose of avoiding payment, that are made without sufficient cause, or are made without first attempting to resolve the dispute will result in a permanent ban from AEIOU conventions.

Convention Specific Policies

Each convention may have their own specific rules or regulations that will supersede the statements in our general TOS. Please see the convention specific website for any changes or rules that apply only to that convention.

Weapons

Real weapons of any kind are not permitted in convention spaces regardless of any local or state laws for concealed/open carry of such items. This also applies even if you possess a government permit that allows you to carry concealed or open in the state the convention is being held. **An exception can be made for law enforcement officers or federal law enforcement officers, which must be approved prior to the convention.**

This is including, but not limited to firearms, tasers, stun guns, OC (Pepper) spray, knives with 4" or longer blades and swords (any live steel). Magnetometer wands and other checks may be performed randomly by the CRT to ensure compliance with this policy. Any violation will result in law enforcement being contacted and badges revoked for the duration of the convention.

Reasonable facsimiles of firearms are also prohibited in convention spaces.

Prop weapons are allowed, but must have no sort of "firing mechanism". The prop weapons must be obviously fake to be approved, cannot represent a real firearm in any way, and must be approved and marked by CRT staff before it is permitted in con space. If you have something you wish to submit to CRT for consideration, please bring it to CRT staff before wandering convention.

Pets

Pets are not permitted in the convention space.

In accordance with the Americans with Disabilities Act (ADA), recognized Service Animals are permitted.

Attempting to falsely claim an animal as a Service Animal may result in revocation of membership and local law enforcement involvement. If a service animal is seen to cause disruption of any kind, report it to CRT immediately. Any validity of a service animal will be handled through the venue and through local law enforcement if a service animal is causing a disruption.

Emotional support animals and therapy animals are not considered service dogs by the ADA, and are not permitted in convention space.

Substance Abuse

Sale, distribution, use or possession of controlled substances will not be tolerated at any AEIOU convention. Anyone violating applicable laws will be immediately ejected from the convention, membership revoked, and law enforcement contacted.

In the states where marijuana is legal, it is convention policy that marijuana products are not permitted inside the convention space or on hotel property. This includes the sale, distribution, or serving of alcoholic beverages to someone under 21.

Media Relations, Photography, and Videography

All journalists, media photographers and other members of the press are required to display an official badge provided by the convention. Members of the press may not conduct interviews, take photos, record audio, or take video without a staff member present and with permission given.

Photos and video may be taken in the convention space by attendees for personal use only. Any commercial use of the images or video must be approved by AEIOU.

Sales, Flyers and Solicitation

Do not place flyers, signs or business cards in any public spaces such as tables, bars, and hallways. Any such items must be distributed in convention space. No adult materials or implied adult activities or items may be placed in convention space.

Nobody, unless approved by the convention, may sell raffle tickets or host a drawing of any kind. We can not allow hand held signs advertising anything in exchange for anything else, signs offering free items are permitted.

Music

Portable speakers must be turned off in convention space that is enclosed or where people cannot walk away from your speakers. This includes but is not limited to, any elevators, lines, dealers den, stages or panel rooms. Music played otherwise must be quiet enough that you can talk over it without raising your voice.

The same rules apply to live musicians and they may not obstruct any walkways or disrupt a scheduled event. Musicians may not play with an open case to ask for money or imply that they are asking for tips.

Accessibility

AEIOU is committed to providing access and reasonable accommodation in its services, programs and activities. Accommodation requests related to a disability should be made no later than one month prior to the convention start date.

Accommodations may also be made by the venue or hotel, so prior notification is important. Every effort to make your accommodation requests possible will be made. Please see the convention specific website for more information and to contact us with any questions.
